	Isabella Grönfeldt – Nordic node (Sweden)
	Guðrún Nína Petersen – Nordic node (Iceland)
	Valentina Khan – Eurasian node (Russia)
	Vasily Smolyanitsky – Eurasian node (Russia)
	Marko Markovic – North American node (Canada)
	Katherine Wilson – North American node (Canada)

Where to find the Meeting materials

- https://www.arctic-rcc.org/acf-fall-2020-presentations
  - Agenda
  - Day 1 presentations
  - Day 2 presentations

- After the meeting, the Consensus Statement will be posted at:

  https://www.arctic-rcc.org/consensus-statements

- Video recordings for each day will be posted on the ACF-6 page when ready for viewing: https://www.arctic-rcc.org/acf-fall-2020

Logistics

- Please mute your audio and turn off your video.

- MS Teams has a "Chat" function where you are encouraged to write your questions and comments during the presentations.

- Your questions will be addressed during the "On-line discussions with end user" sessions. Moderators will be collecting your questions for each session and will ask them on your behalf.
  - If the chat isn't available to you, please email your questions to the moderators:
    - Day 2 – jelmer.jeuring@met.no
    - Day 2 – vms@aari.aq
    - Day 2 – brian.brettschneider@noaa.gov
  - MS Teams has a "Raise Hand" function should you need to request the floor during the discussion sessions to answer questions posed to the audience.
